

MATVEY
CHAKRYAN

A.K.A. IZERGIL

I am **Izergil**,
born Matvey Chakryan,
a seeker of beauty in its fading breath.

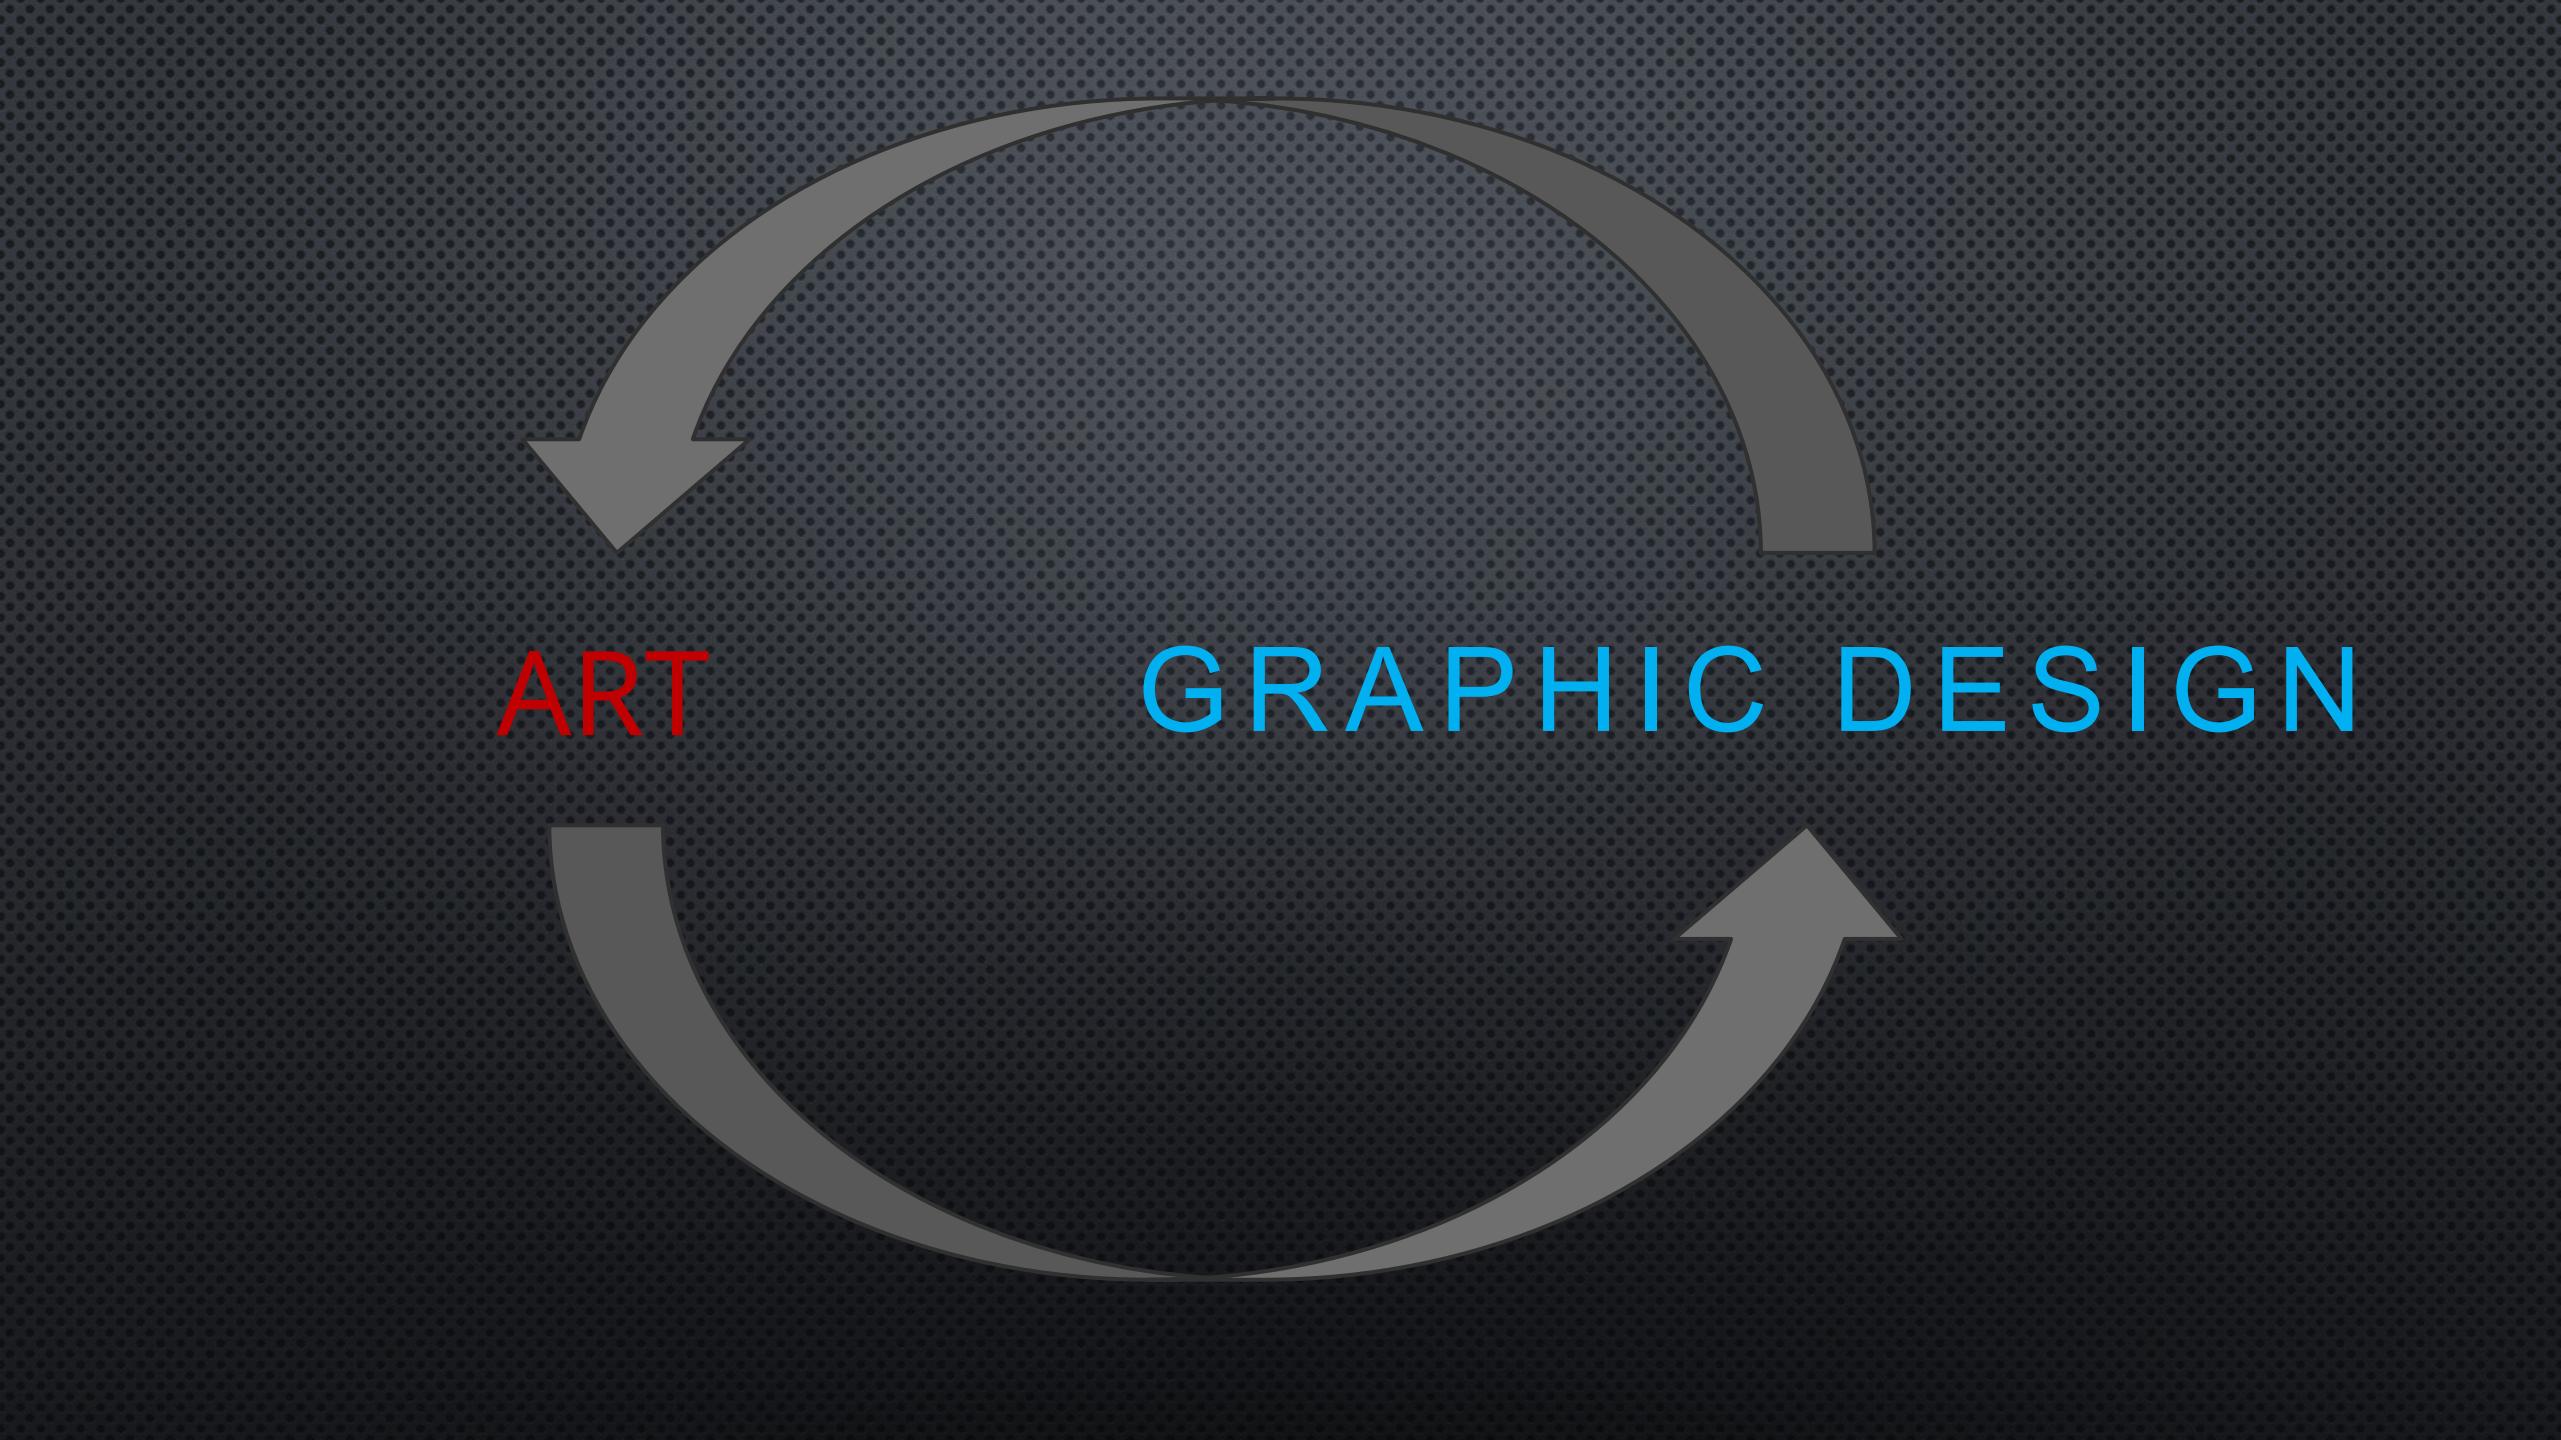

From the decadence of the **19th century**
and the trembling glow of **urban night**,
I shape visions where phonk's broken tape
meets the poetry of ruin.

My art is a bouquet of shadows—
flowers bruised, yet luminous—
offered to those who hear music
in the depths of melancholy.

If you seek a simple image, look elsewhere.

If you seek **atmosphere, memory, and darkness made beautiful**,
enter the world of **Izergil**.

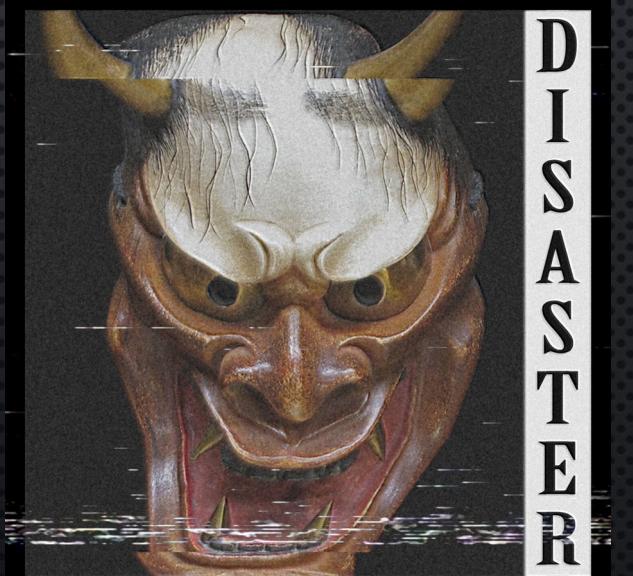

ART

GRAPHIC DESIGN

Phonk is a hip-hop/trap subgenre born from 1990s Memphis rap, known for its dark, gritty sound, hypnotic samples from old funk/soul/R&B.

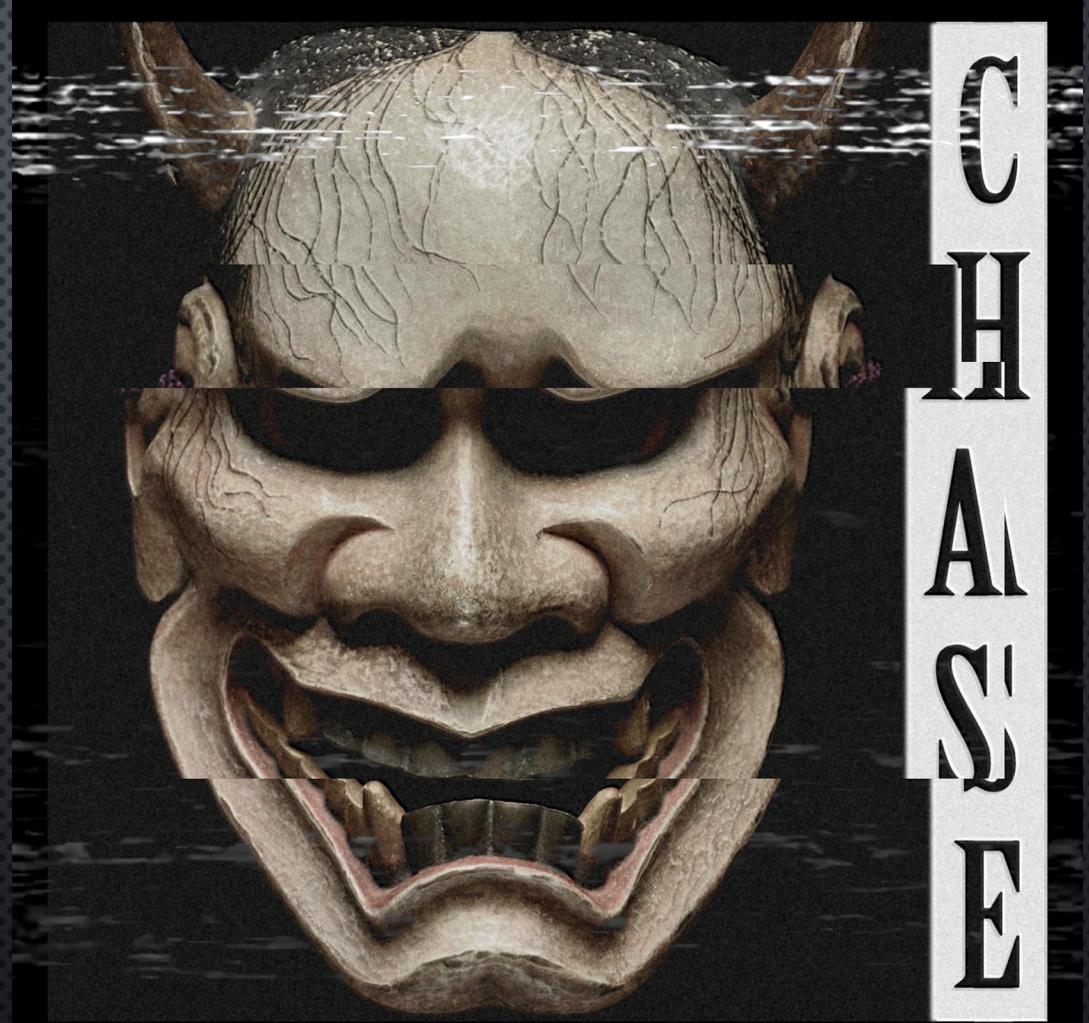

AT FIRST I TRIED MY HAND AT PHONK COVER DESIGN,

THE NEXT ONES WERE SIMILAR WORKS, BUT WITH
THE ADDITION OF MY OWN IDEAS AND TOPICS THAT I
WAS INTERESTED IN LIFE AT THE TIME.

TEDDY

AT THE SAME TIME, I DEVELOPED A PASSION FOR PHOTOGRAPHY AND WALKS IN THE WOODS NEAR OUR HOUSE. THIS COMBINATION LED ME TO ALBUM COVERS A LA EARLY “DVRST”, IN WHICH THE LANDSCAPE ITSELF CONVEYS THE VIBE.

MAIN works

AT THE MOMENT, I STARTED TO CREATE MY BRAND BY INCORPORATING THE AESTHETICS OF MODERNISM AND DECADENCE, CHOOSING THE APPROPRIATE FONTS AND PATTERNS.

AFTER THAT, I STARTED TRYING OUT NEW LAYOUTS,
AESTHETICS AND CENTRAL THEMES. SOMETIMES
EVEN WITHOUT USING TEXT.

Additional works

AS A HOBBY, I MADE VARIOUS ILLUSTRATIONS,
POSTCARDS AND POSTERS, SOME OF WHICH SERVE
AS CONCEPTS FOR FULL VERSIONS.

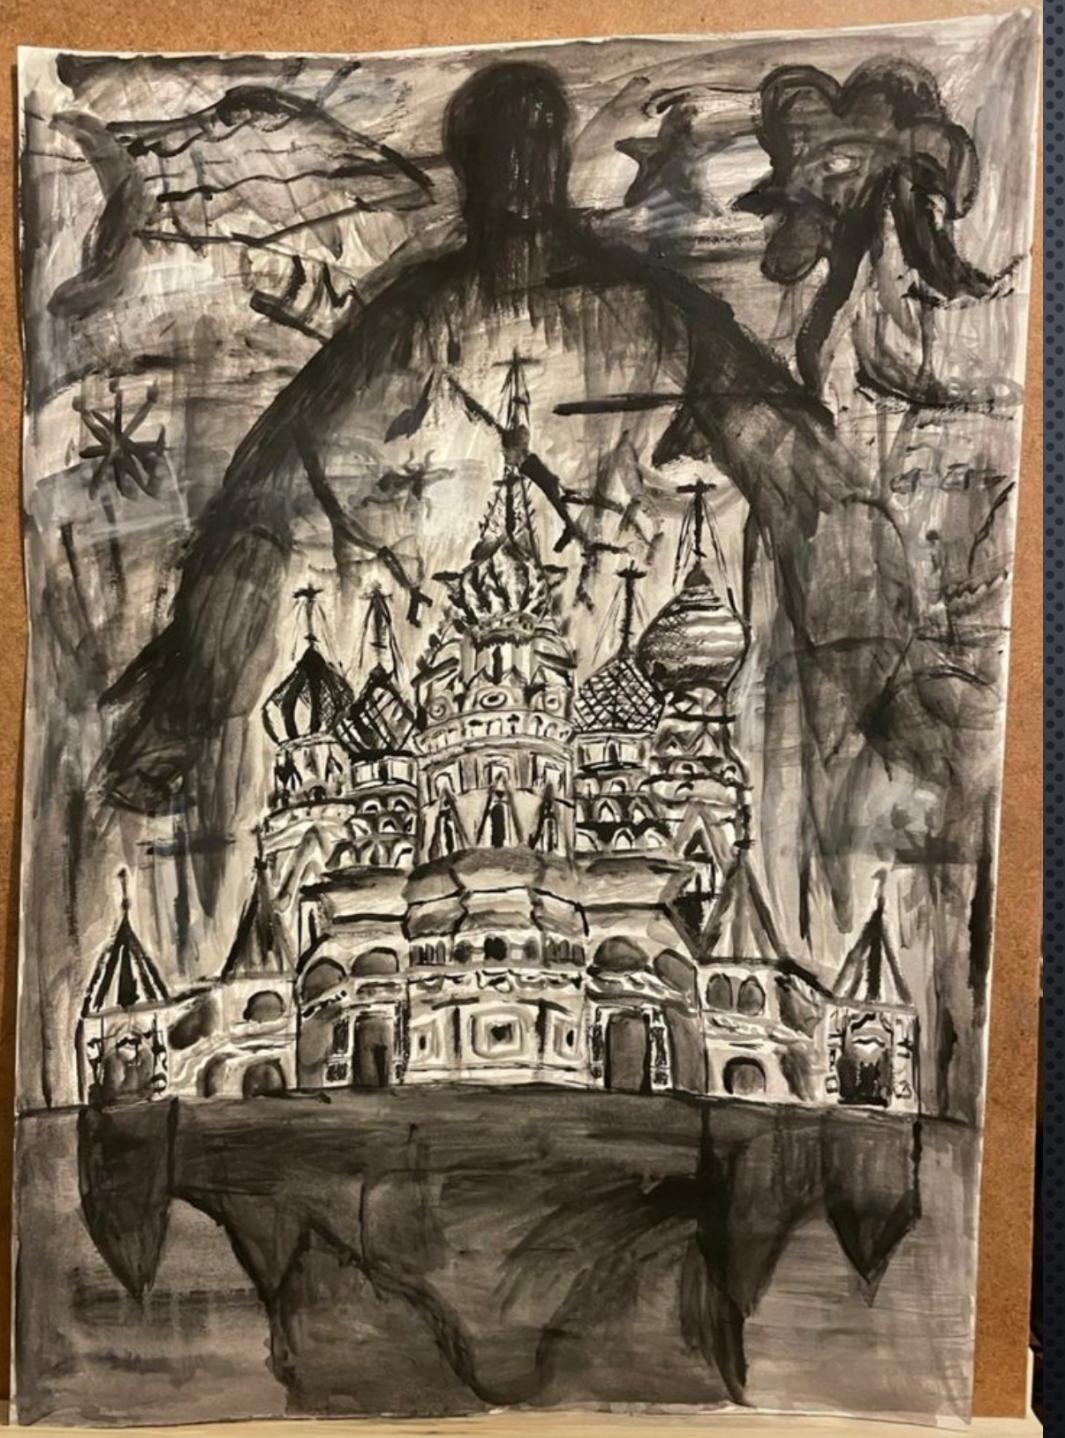

BASEMENT

THE HOBBY I WANT TO RETURN TO IS DRAWING VIEWS OF THE PROVINCIAL REGIONS OF EASTERN EUROPE, AS WELL AS SPENDING MY LEISURE TIME DRAWING MINIMALIST LIMINAL SPACES.
